

Infusion Therapy Patient Stand

Designed with infection prevention in mind to help create a safe environment for vulnerable, immunosuppressed patients. Compact, accessible storage for personal items.

Features:

Seamless KYDEX® construction.

- 4X thicker than standard thermofilm giving it superior impact strength and durability.
- Certified GREENGUARD® Gold
- Withstands a wide range of hospital cleaners and disinfectants.

Removable shelves make surfaces easily accessible and easily cleaned.

Patented angled shelves assist patients with limited capabilities.

Available in 3 configurations.

Available in 5 standard woodgrain and 2 solid colors.
