

**NEW**

**F. The Only Cart Designed Specifically for Couriers**

**EXCLUSIVE**

Combining durability and convenience, these rugged Courier Carts make it easy to transport specimens throughout your medical facility. Four 5" casters move smoothly and quietly over virtually any surface, and two routed handles make maneuverability a breeze. A blood groove on the expansive work surface prevents potential spills and specimen roll offs.

- Durable design stands up to regular use throughout your entire facility
- Excellent for storing specimen bags and totes and tube racks
- Drawers easily slide out for quick, convenient access to contents
- Four 5" casters (two locking) designed for smooth, quiet rolling
- Routed handles on either side of the work surface
- Blood groove on the work surface eliminates potential roll-off and contains spills
- Created in collaboration with MedViron®
