

GUARDIAN DELIVERY CART

FEATURES:

INFECTION PREVENTION:

A hospital's Environmental Services department is critical for infection prevention. All surfaces of the MedViron Guardian Delivery Cart are easily accessible for easy cleaning by Environmental Services staff.

DURABILITY:

The Guardian Delivery Cart offers the durability of KYDEX® thermoplastic on all horizontal surfaces, providing superior impact resistance.

EASE OF USE:

The pass-through drawers can be opened from the front or rear of the cart.

A large lower drawer on the 2-drawer unit makes delivery packs easily accessible.

Dual drop-leaf top expands caregiver workspace when needed.

Almost effortless mobility on 5" casters, 2 locking and 2 non-locking. The caster locks hold the cart firmly in place.

The curved base reduces the chances of caregivers hitting their shins while moving the cart.

Manufactured in the USA.

GUARDIAN DELIVERY CART

Guardian 2-Drawer Delivery Cart

Guardian 2-Door / 1-Drawer Delivery Cart

SURFACE MATERIAL: KYDEX® THERMOFILM

The MedViron Guardian Delivery Cart's horizontal surfaces are thermofilmed with KYDEX® which is 4x thicker than standard thermofilm giving it superior impact strength and durability.

KYDEX is certified GREENGUARD Gold for Children and Schools®. KYDEX withstands a wide range of cleaners and disinfectants.
