

**INFECTION PREVENTION:**

Seamless horizontal and vertical panels.

Removable proprietary KYDEX drawer liner makes cleaning simple.

DURABILITY:

Patented column offers superior strength, stability, and smooth height adjustment.

The column has been tested for 10,000 cycles with no effect on performance.

5-year gas spring warranty.

Horizontal surfaces are thermofilmed with KYDEX® giving them superior impact strength.

EASE OF USE:

Four height adjustment handles, one in each corner, can be used independently to raise or lower bassinet height.

Pass-through drawer allows you open from either side, with removable drawer liner for easy cleaning.

Base panel design allows caregivers to get close to the work surface.

2 locking and 2 non-locking 5" casters provide stability and easy maneuverability.

Manufactured in the USA.

HEIGHT-ADJUSTABLE DELIVERY CART
